Color Me Sold: Spring 2015's Pantone-Perfect Jewels

September 22, 2014

It's too early yet to tell what the official 2015 Color of the Year will be, but you can't argue with any of the choices Pantone has given us for spring 2015 (if the jewelry industry has any say, Aquamarine would be a safe bet). Three shades of blue, a minty green and a very yummy pink, grouped with a crisp, warm orange and yellow round out the colors we can expect to see this spring, while the accompanying neutrals range from a reddish brown to a warm tan to a welcome shade of gray. From closets to jewelry boxes, these are the shades that promise to rule the coming seasons. Get a jump start on stocking, and you'll impress those early trend hunters and holiday shoppers alike. Below, some of my favorites to match Pantone's Spring 2015 Color Report.

Pantone Color Report

Spring 2015

Aquamarine

PANTONE 14-4313

Cool and calming, ethereal **Aquamarine** is a shade with a wet and watery feel. Open and expansive, this restful blue also acts as a stress reducer.

Classic Blue

PANTONE 19-4052

Serving as an anchor to the spring/summer 2015 palette, **Classic Blue** is a shade that is strong and reliable. Because of its waterborne qualities, it's perceived as thoughtful and introspective.

Scuba Blue

PANTONE 16-4725

Scuba Blue offers a feeling of escape. This stirring and energizing shade takes us off to an exotic paradise that is pleasant and inviting, even if only a fantasy.

Sutra

Lucite Green

PANTONE 14-5714

Lucite Green is a soothing shade whose time has really come again. Fresh and clarifying, cool and refreshing, Lucite Green has a minty glow.

Marco Ta Moko

Custard

PANTONE 13-0720

Engaging with its soft and mellow warmth and full of good feelings, subtle **Custard** has an affable and easy disposition.

Rahaminov Diamonds

BELPEARL

Tangerine

PANTONE 15-1247

Tangerine is striking enough to stand on its own and adds vitality to a printed pattern. Good natured and friendly but with a tangy edge, this fun-loving color invites a smile.

Alexandra Alberta

Strawberry Ice

PANTONE 16-1720

Both tasty and tasteful, **Strawberry Ice** is a confection color that evokes a feeling of being "in the pink," emitting a flattering and healthy glow.

Lorenzo

Marsala

PANTONE 18-1438

Sensual and bold, delicious **Marsala** is a daringly inviting tone that nurtures, exuding confidence and stability while feeding the body, mind, and soul.

BELLARMI

Toasted Almond

PANTONE 14-1213

A sun-tanned neutral, **Toasted Almond** offers comforting warmth and is indicative of a spontaneous spring-summer feeling.

Sahira Jewels

Garavelli

Carolle

Glacier Gray

PANTONE 14-4102

Glacier Gray is an unobtrusive gray that contrasts and enhances—bouncing off other shades without taking away from them as it slips into the background to allow other colors to take center stage.
